

Preschool school readiness Program

Date: 02/06/2015-20/0615

Educator: Cindy Liu

Math:

Numbers and Operations include:

- Counting
- one-on-one correspondence
- How many?
- More / less
- Rank order – (first, second, third)
- Recognizing numerals
- Grouping
- Fractions as part of the whole (half, one-fourth)

Activity: beanbag toss, numbers cards, rolling dice, number cars parking game

Science:

Explore with life circle:

Caterpillar –butterfly

Tadpole - frog

Literacy:

Name writing, letter recognition. Alphabet activities

Engage children with materials that promote identification of the letters of the alphabet, including

- ABC books
- magnetic letters
- alphabet blocks and puzzles
- alphabet charts

Use direct instruction to teach letter names that

have personal meaning to children

Social skills:

Feeling /emotions

talk to children about their feelings.

Discuss what kinds of situations make us feel bad, and what things make us feel good (When we explain emotions and their causes, kids learn how to better regulate their own feelings)

Discuss how to deal with our feelings?
