

ASK ME!

Northcott Estate Collaboration Project (Stage One)

Engagement Questionnaire (Voluntary)

The Northcott Estate Collaboration Project (ASK ME!) is about you, the community, who live, work and pass through the neighbourhood of Clisdell, Devonshire, Northcott, and The Pottery neighbourhood.

We want to hear from everyone, including those actively involved in the community to people whom may not have voiced their aspirations for a better social housing experience and for the community as a whole.

Your answers will help shape the way forward to improve social housing experience and community life.

Your participation in this questionnaire is voluntary. All questions are optional, and your responses will be completely confidential. Providing your address is optional and only requested to make sure that we are engaging local residents to give their view.

If you are a social housing resident, please be assured that your answers are confidential and will not be kept on FACS Housing files or your personal files.

We will keep the general community informed about what people say they want changed, what the plan is and how to get involved!

If you have any questions or want more information please contact

Martin Clark at The Pottery office on 9319-9322.
